

FRA02 DATA CENTRE

100 MVA
capacity

54 MW IT
campus

Rathenaustraße 29-31
63263 Neu-Isenburg

FRA02 DATA CENTRE

Total plot: approx. 5 hectares

The data centre campus consists of two buildings with six data halls of 4.5 MW IT capacity each, located on two floors. Progress is being made on the expansion of FRA02, with a design allowing for up to 26 MVA of additional power capacity.
